The Social Chairman of Selectors for Barnards Green CC has today announced the squad for the Social Six6 Squad to travel to BGCC on Sunday 26<sup>th</sup> August 2007 for the annual Barnards Green 6 aside Competition. Following the disappointment of the performance in last years competition, the Selection Panel of Chairman Stuart Fletcher, Frank Edwards, Mick Clack and Rob Jones have decided to go for a more youthful looking squad, but still holding the strength of drinking ability that the Social have become renowned for.

On announcing the squad, the Chairman stated, "we were disappointed with the results from last year, our performances and drinking ability were below the level the Social have set themselves over the years, we felt that the squad needed strengthening in its youthful fielding performance but we have also brought in some heavy weights who will certainly increase the pint rate as the day progresses"

Social Six6 Squad:

Andy 'Jack Attack' Wheeler - Captain	Caps: 69	Pint Rate: 12 per day
Paul 'Pocket Rocket' Jones – Vice Captain	Caps: 345	Pint Rate: 15 per day
Ian 'Cassius' Alley	Caps: 0	Pint Rate: 14 per day
Dave 'Trigger' Marshall	Caps: 10	Pint Rate: 15 per day
Richard 'Copper' Wall	Caps: 13	Pint Rate: 14 per day
Steve 'Skittler' Hunt	Caps: 3	Pint Rate: 16 per day
Sam 'Bradders' Bradley	Caps: 16	Pint Rate: n/a
Dan 'Warney' Hunt	Caps: 2	Pint Rate: n/a

The Squad will spend the next 3 days on a team bonding session with the Royal Marines on Dartmoor, before returning to Malvern to then spend 2 days on a pub crawl as a warm up for the Sunday Competition.

Newly appointed Captain Andy Wheeler said of his appointment, "I was shocked and over the moon to get the call from the chairman on Sunday afternoon. It is a great honour to lead this side. There is a great mix of youth and drinking ability and I think that we should be able to make the last orders call and still be standing when the other teams have gone home! I am really looking forward to the next 3 days of team bonding, I am a true believer in a full and extensive training regime and feel that the 3 days of treks and hard work with the marines will really pay off, then the Chairman has organised 2 days of further practise with a number of practise games such as pub golf, bunnies and speed checks on pints and yards, this again will mean we are in peak condition going into Sunday"

The Social team will begin their campaign against fierce rivals Jez's Six Hitters at 10am on Sunday
